Land Acquisition

READ—

Government Order No. Camp R. 173-233—L. R. 21-26-51, dated 23rd June 1927, issuing revised instructions for the guidance of officers authorised to acquire lands under the Land Acquisition Regulation and other officers.

ORDER NO. R. 1672-731—L. R. 146-30-2, DATED 9TH—10TH SEPTEMBER 1930.

It has been brought to the notice of Government that owing to the defective wording of the last sentence of para (3) of the order noted above, the preliminary notification necessary under Section 4 (1) of the Land Acquisition Regulation is not being submitted in cases where immediate possession of land has to be taken under Section 17 (1) and (2) of the Regulation. Government wish to observe that the preliminary notification under Section 4 (1) is necessary in all cases of acquisition whether ordinary or immediate. In the latter class of cases, it is the procedure under Section 5 A only that is dispensed with and not the preliminary notification 4 (1).

The following sentence shall therefore be substituted for the existing one in para 3 of the order read above, and in the relevant places in the annexure to the said order (Vide last sentence of para 7 on page 5; vide last sentence of para 5 of annexure I; vide last sentence of para III Part I of Annexure II):—

"Where immediate possession of the land is proposed to be taken under Section 17 (1) and (2), the formalities necessary under Section 5 A only shall be dispensed with and cases submitted direct for orders with the preliminary notification under Section 4 (1) as well as the declaration statements necessary under sections 6 and 7."

Offg. *Secretary to Government,*
